

Aureus Analytics Joins the Emerge 50 2015 Elite

Oct 15th, 2015, Bangalore: Aureus Analytics has made it to the prestigious shortlist of top 50 high growth potential companies in the NASSCOM Emerge50 2015.

NASSCOM Emerge 50 is an annual compilation of top 50 product companies across the country to watch out for. According to NASSCOM, “The awards are characterized by a mixture of burgeoning success stories and promising start-ups that are coming up with exciting new solutions. These are startups and emerging companies to watch out for!”

‘NASSCOM Emerge 50 Awards’, annually identifies, showcases and supports Top 50 emerging product centric organizations in the country

“This is a validation of our belief that analytics at the point of decision is here to stay. We are thrilled to be part of this elite group of young companies that have made it to this list”, said Anurag Shah, CEO & CO-Founder, Aureus Analytics.

EMERGE 50 companies are shortlisted by Zinnov Management Consulting and then further evaluated by an industry panel.
